

All Lutheran Women's Retreat

Through storytelling, guided reflection, and gentle conversation, **Beth Dunwody** will help participants recognize the sacred in the ordinary and reclaim their own narratives as sources of healing, courage, and connection.

Whether you come seeking renewal, clarity, or companionship on the journey, this retreat offers space to listen—to your story, to others, and to the still, small voice of the Holy within.

This two-night Lutheran women's retreat is open to ALL women

About Us

In 1981, women from four (4) different branches of the Lutheran faith, the Lutheran Church of the Missouri Synod, The American Lutheran Church, the Association of Evangelical Lutheran Churches, and the Lutheran Church in America wanted to gather together. There were many close personal relationships between the ladies of these four different organizations, but nothing brought them together outside of their own organizations. So doing what women know how to do best, they made that happen by organizing the All Lutheran Women's Retreat (ALWR).

Our Service Project will be REAL LIFE.
